SECOND CLASS MAIL

Being Counted at Postoffice—Average of 2000 Pieces Handled Daily.

At the Willimantic postoffice the counting of newspapers, magazines and the other mail that makes up second class matter is throwing extra work upon the clerks, although not as much by far as last spring, when all four classes of mail were counted. The present counting began on Aug. 15 and continues for a month. It is found that nearly 2,000 pieces of matter are handled daily, a figure which is probably larger than the ordinary person who is visited by the government letter carrier would expect. The postoffice boxes that do not have to be enumerated according to the orders.

Bronchitis Prevalent.
Prevalent diseases in Willimantic at the present time include bronchitis, which is bothering a considerable number of people. A number of cases of cholera infantum have also been reported. There are several patients recovering steadily from mild attacks of typhoid.

ing to \$14.75 on the first charge, breach of the peace. Mrs. Beaudry and her children are still at their Brook street home, but Beaudry has moved to Main street.

Beaudry, on his side, claims that his wife has money in the bank \$1,500, he says, in the name of her son Rene. This is the result of several years' work on the part of Mrs. Beaudry and her children. Beaudry says he is entitled to about half of it, and Friday he asserted that he would go to a higher court to get the money. He tells how on several occasions his wife moved away and left him with only his trunk and the kitchen stove. This time he moved, and he promises for good.

Beaudry is a carpenter for a local firm.

OBITUARY.
Frederick Howe.
Charles B. Russ of Chapel received word on Friday of the death in Seabrook, Mass., Thursday, of his cousin, Frederick Howe, about 45. Mr. Howe, who was a carpenter, died from typhoid fever, and he leaves a wife and son. Mr. Russ plans to attend the funeral.

Governor Harmon Slips Through Town
Judson B. Harmon, governor of Ohio, was another distinguished man of affairs who passed through Willimantic. He was on the 5.35 Boston express, but he came unheralded and few recognized him. Mayor Dunn was on hand to give him a welcome, but there was not time to seek out the Ohio governor, who was traveling quickly among the common people, and not to a private car.

DEMOCRATS HOLD A THREE HOUR CAUCUS.
Several Ballots Needed to Select Candidates—Mitchell and Backus for Selectmen and Donohue for Registrar.

Prospects of a fight for places on the democratic town ticket brought forth four hundred voters of that party to town hall on Friday evening. In point of attendance and length of session the caucus was one of the most noteworthy in recent years.

Interest centered in the competition for offices of registrar and first selectman. The caucus was held in the town hall, and the second cast of votes gave P. D. Donohue the nomination for registrar by a plurality of 88. Robert E. Mitchell was given the nomination for selectman by a handsome margin over his nearest competitor, present Selectman James J. Tew.

At 8.30 o'clock James J. Haggerty stated that as he was a candidate for the office of assessor, he wished the meeting called promptly. Three minutes later Chairman James J. Haggerty called the caucus to order. The town clerk, Mr. J. Haggerty, was chosen chairman on Mr. F. Sullivan's nomination, and Mr. J. Haggerty took the secretary's chair after J. J. Haggerty had proposed his name. Mayor Dunn read the warning.

No Choice for Assessor.
Chairman Kelly called for nominations for the office of assessor for three years. James J. Sullivan was nominated by Hugh Anderson, and John R. Riley by Oscar O. Tanner. A moment later, when he learned that Mr. Riley declined the nomination, Mr. Tanner withdrew his first nomination and placed before the convention the name of John R. Riley. The chair was pointed as tellers Samuel B. Harvey, M. F. Sullivan, J. M. Martin and D. P. O'Connor. The first named did not wish to serve. At this point Mr. Dion proceeded to decline the nomination. The balloting for registrar was held in nomination and the balloting began.

Chairman Kelly took the opportunity of stating the importance of the assessorship. He hoped that the people would see that they elect a man who will see that absolute justice between the rich and poor is done. To insure a fair vote, the ballot box was used.

At 9.20 the clerk read the result of the first ballot of the evening. The total number of votes cast was 354; necessary for a choice 125. Mr. Sullivan received 32, Mr. LaPalme 8, H. Dion 24, M. B. Lincoln 12, W. A. Costello 10, J. F. Riley 10, and the remainder were cast for no one.

The vote for assessor was declared lost, and Samuel B. Harvey moved that the balloting for registrar be held. Louis Flynn, John F. Collins, J. B. O'Connor, M. J. Sullivan and J. A. Bristol read the warning.

Two Firemen Needed on Presidential Train.
Two firemen were evidently necessary on the locomotive to pull the extra heavy load that the 5.55 Boston express had on Friday. The third Harry Tubbs was put on at this city to assist the regular man. There were seven firemen on the train. The train was back in time to start at 5.52 Friday night on his regular run to New Haven.

Baltic Band Played.
The Baltic band furnished music at South Coventry Friday evening and on their way up to the town of Main street. Some thought it was in honor of the democratic caucus.

John P. Kennedy of Norwich was visiting friends on Main street Friday.

Personals.

SCHOOL EXPENSES.
Increased About \$8,000 During Last Fiscal Year.

The total monthly expenses for all schools in the town of Putnam for the fiscal year ending August 31, 1911, were as follows: September, 1910, \$5,237.09; October, \$5,702.63; November, \$5,162.58; December, \$2,433.47; January, \$2,361.33; February, \$1,892.84; March, \$2,100.42; April, \$590.26; May, \$3,079.26; June, \$2,310.52; July, \$1,581.55; August, \$399.63.

Making the total expenses for the fiscal year \$39,492.20.

This total is about \$8,000 more than was expended during the fiscal year ending August 31, 1910. The increase was caused by the repairs made to the South street school during the summer and fall of 1910 and by the purchase of new furniture for the new high school.
